JULY 2011

*** REMINDER ***

JULY 15, 2011 WAS THE DEADLINE FOR THE FALL 2011 SCHOLARSHIP APPLICATIONS!!!

The Caddo Nation Higher Education Program (CNHEP) scholarships are available on a first come, first served basis for completed applications, which means that all requested documentation has been received by our office, not simply that your application pages have been turned in early. Turning in application pages does not guarantee you a scholarship, nor are any scholarship amounts guaranteed. The CNHEP scholarship amounts range from \$500.00 to \$1,800.00 for full-time students, and from \$500.00 to \$900.00 for part-time students.

Students must be working toward Associate of Science, Associate of Arts, first time Bachelor's or Graduate degrees, but only if you have not exceeded the ten (10) term limit. Associate of Applied Science degrees cannot be funded through the CNHEP.

We understand that some schools cannot or will not complete the documentation needed to complete your CNHEP application. It may not be the easiest thing for you to do, but please keep contacting your school to try to get the requested documentation completed. Sometimes your paperwork might be overlooked while your school is in the process of enrolling hundreds of students and processing financial aid packets.

The CNHEP has a limited amount of funds for scholarships, and we will do our best to work with you and your schools in the application process.

REMEMBER: It is your responsibility to make sure that all documents needed to complete our application have been turned in to the Caddo Nation Education Department.
